The Rulers of Egypt and Sudan Regard Muslim Blood as Cheap, and Only the Khilafah (Caliphate) Will Protect It

(Translated)

Under the Arabic headline: "Dozens of Sudanese Miners Killed and Injured Near the Egyptian Border," Sudan Tribune reported today, Sunday, 11/10/2026, that dozens of Sudanese miners had lost their lives and others had been injured on Saturday, 10/10/2026, following the renewed airstrikes on mining sites near the Sudanese-Egyptian border, while hundreds fled the targeted sites towards the mountains amid difficult humanitarian conditions.

Last June, Egyptian warplanes carried out a similar attack that resulted in deaths and injuries. Just as the Sudanese authorities took no action regarding that incident at the time, they are now taking refuge in silence, as though those who were killed meant nothing to them!

We in Hizb ut Tahrir / Wilayah of Sudan ask: Has the blood of Muslims become so cheap to this extent?! Why does the Egyptian regime wade in the blood of Muslims and direct its war machine against unarmed miners, who have been displaced by the senseless war in Sudan and have gone searching for their livelihood in the vast land of Allah, while the Jews who occupy Al-Aqsa Mosque, kill our brothers and sisters in Palestine, and destroy Gaza Hashem remain secure, even though the Egyptian regime and its soldiers are within a stone's throw of them and do not lift a finger? Rather, they assist the Jews by closing the crossing between Egypt and our people in Gaza!

As for the Sudanese government, has humiliation reached such a point that it remains silent with this disgraceful silence?! It is responsible for those who were killed, injured, and left to wander aimlessly, yet we do not hear even the slightest condemnation of this heinous act. Or has the blood of the people of Sudan become cheaper to them than the blood of a sparrow, making it easy for them to disregard these lives?!

Let the rulers of Egypt and Sudan know that the blood of a Muslim is far too sacred in the sight of Allah to be violated in this horrendous manner. The Prophet (saw) said: «لَزَوَالِ الدُّنْيَا أَهْوَنُ عِنْدَ اللَّهِ مِنْ قَتْلِ مُؤْمِنٍ بِغَيْرِ حَقٍّ» **"The disappearance of this world is less significant in the sight of Allah than the killing of a believer without just cause."** And on the authority of Abdullah ibn Umar (may Allah be pleased with them both), who said: I saw the Messenger of Allah (saw) circumambulating the Kaaba and saying: «مَا أَطْيَبَ رِيحَكَ! مَا أَعْظَمَكَ وَأَعْظَمَ حُرْمَتَكَ! وَالَّذِي نَفْسُ مُحَمَّدٍ بِيَدِهِ، لِحُرْمَةِ الْمُؤْمِنِ أَعْظَمُ عِنْدَ اللَّهِ حُرْمَةً مِنْكَ، مَا لِهِ وَدَمِهِ وَأَنْ نَّظُنَّ بِهِ إِلَّا خَيْرًا» **"How pleasant you are, and how pleasant your fragrance! How great you are, and how great your sanctity! By the One in Whose Hand is the soul of Muhammad, the sanctity of a believer is greater in the sight of Allah than your sanctity: his property, his blood, and that we think of him only in a good way."**

Indeed, Allah, Glorified and Exalted, has threatened those who deliberately kill a Muslim with a punishment He has not prescribed for anyone among all the worlds. The Most Exalted said: «وَمَن يَقْتُلْ» **"And whoever kills a believer intentionally, his recompense is Hell, wherein he will abide eternally, and Allah will be angry with him, and curse him, and prepare for him a great punishment."** [An-Nisa:93].

Know, O rulers of Egypt and Sudan, that even if you escape accountability before the State of the Khilafah (Caliphate), which will soon be restored, by Allah's permission, you will not escape the punishment of Allah, the Avenger, the Compeller, on the Day when the excuses of the wrongdoers will not benefit them. «وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ» **"And those who have wronged will come to know what kind of return they will meet."** [Ash-Shu'ara:227].
